"It is hard to believe that I am completing my 20th year at Indian River State College. It seems as if this journey just began and yet it is coming to a close. I have indeed enjoyed my time as a full-time instructor and I am grateful to have had the opportunity to work with so many amazing administration, faculty, and staff members. In addition, it has been my privilege to work with my students who have inspired me to be the best that I could be."
